

THE THANK “PHONE”NESS CHALLENGE

Challenge everyone around the table to find a picture on their smartphone that 1 BEST represents each of the items on the list. It has to be an existing picture-no taking new photos during the game

Each player receives 1 point if they can find a photo within 2 minutes.
Be sure that everyone explains their photo-that's where the fun begins!

I am Grateful for ...

- My Family
- Having time to do my favorite things
- Things that make me laugh out loud
- Someone who makes me smile
(can't be the same photo as #1)
- Good Friends
- Nature
- Good things to eat
- Warm clothes
- A favorite place to relax
- Things that make my life easier
(needs to be a photo -you can't just show your phone)
- Furry four-legged friends
- Hugs
- Those who can't be with us today
- My Freedom
