

ELF *on the Shelf*

SCAVENGER HUNTS

#1 Hide the next clue in a shoe basket or closet.

I've hidden a clue, let's go for a ride!
Find where your shoes like to hide.

#2 Hide in the bathroom by the sink.

Great job! You're clever, there's no doubt. Next, check where you go to rinse your mouth.

#3 Hide near a mailbox or a spot where mail is stored.

To keep the hunt going, try not to fail. The next clue is hiding near the mail.

#4 Hide in a bookshelf or book bin.

You're on the right track, my smart little scout! Go find the place where books hang out.

#5 Hide in or near the refrigerator.

Brr, it's so cold!
My next clue is chilling, by something that keeps your food from spilling.

#6 Hide in their bed or a pillowcase.

You're so close now, the prize is near! Find where you rest your head and cheer.

#7 Hide the Elf on the Shelf near the TV or family room.

Congrats! You've finished the game at last. Look where you'd go to watch movies fast.
