

M&M

Easter Poem

*As you hold these candies in your hand
and turn them, you will see
The 'M' become a 'W', an 'E' and then a '3'*

*E is for Easter Sunday
reminding us that our savior lives.*

*M is for the miracles and mercy
that Jesus gives.*

*3 is for the reminder that
Christ rose on the third day.*

*W is for the message that
he is the only way.*
