The Great Number Race

(Each player needs his own copy of this number race game mat.)
Place your finger on the zero below and then find a license plate that has a 0 written on it. Move your finger to the one.
Keep it there until you find a 1 written on a different license plate.
Continue moving your finger along the number line in 123 order.
The first player to reach the finish is the winner.

HOW MANY DO YOU SEE?

Every time you see one of the things from the graph below, write an X in the column above it. At the end of your trip, look to see what things you saw most and what things you saw least.

STORY STARTERS

Work together to tell a story using one of the **SHES** written below.

- It all started when we were zapped down the bathtub drain...
- When I woke up and looked outside my window I saw the most amazing thing: our box had grown lollipop!
- One day, I decided to take my pet pig to school...
- I grew and grew until I was taller than our house. That was a **BIG** problem! You see...
- One morning I woke up and realized that while I was sleeping, I turned **PURPLE!**

I SPY...

- 7 fire trucks
- 3 buses
- 2 helicopters
- 4 police cars
- 6 tow trucks
- 1,234567890
- 2 pickups
- 8 stars
- 6 trees
