Survey: First Aid

Ask six students about their acid. Write their names, the question number, and their answers in the chart below.

1. Can you make a trip and tell?
 - 1 a. Where did you keep it?
 - 1 b. What's in it?
2. What do you do if you don't want?
3. What do you usually put on a small cut?
4. What do you put on an insect bite?
