

# Felt Baby Shoes Template

## Instructions

Photocopy template, enlarging to be 1/4 inch longer than a foot; cut out.

## Materials

Shoes Template	Pin	Glue	Hole-punch
Wool felt	Needle & thread	Rickrack	Ribbon

## Step 1

Print & pin templates to wool felt; cut out. To make the heel seam, which shapes the top part of the slipper, fold the upper piece in half, and stitch along the straight edge.

## Step 2

Pin the top of the shoe to the sole. Sew the pieces together. Turn inside out, hiding the seams. Glue rickrack on the outside or inside rim of the instep, or hole punch a pattern. Sew a button or snap on one strap; make a button slit or sew on the other piece of the snap on the opposite strap. Attach a tiny ribbon bow to the top of each shoe, if desired.
