

Hair of Ogre, Wool of Bat
Witch's Eyeball, Claw of Cat
Poison Toadstosi, Ampier's Blood
Goblin Toenail, Graveyard Mud

With a Broomstick Stir it round
Boil the Brew til Midnight Sounds
When the Potion's thick and Vile
Smells like Vitriol and Bile

The Potion's finished, now's the time
For Magicks Dark and Tricks Sublime
Fortunes cast and Spellwork Spun
The Witching Hour has Begun
