

# THANKSGIVING

## Missing Story

Thanksgiving is a(n) \_\_\_\_\_ (1) holiday! Every year, our family gathers around for the \_\_\_\_\_ (2) feast. My grandma cooks a turkey that's as big as a(n) \_\_\_\_\_ (3) and looks like \_\_\_\_\_ (4) carved it themselves! She serves it with all the \_\_\_\_\_ (5) you could imagine, like buttery \_\_\_\_\_ (6) and a delicious \_\_\_\_\_ (7) casserole.

But this year, something was a little \_\_\_\_\_ (8). As soon as we started to \_\_\_\_\_ (9), we noticed the turkey smelled like \_\_\_\_\_ (10). My little brother took a bite and said, "This tastes like \_\_\_\_\_ (11)!" We all tried not to \_\_\_\_\_ (12), but it was hard. Grandpa started waving his \_\_\_\_\_ (13) in the air and shouting, "This is the most \_\_\_\_\_ (14) meal I've ever had!"

Despite the chaos, we all felt \_\_\_\_\_ (15). After all, it wouldn't be Thanksgiving without a few surprises! \_\_\_\_\_ (16)!
