

The Turkey Who Got Away

Timmy, a turkey, once refused to be served as dinner. On Thanksgiving morning, he hid in a huge pile of leaves. Mia, a kind girl, discovered him and inquired, "Why are you hiding?" Timmy expressed his fear. Mia quickly decided, "Let's make a special feast without turkey!" They invited everyone and prepared delicious veggie dishes instead. Everyone loved it, and Timmy was safe. They celebrated a Turkey-Free Thanksgiving after that!

The Kids' Thanksgiving Thankful Tree

In a small village, the kids decided to make a Thankful Tree for Thanksgiving. They painted a large tree on a poster and displayed it in the school. Each child wrote what they were grateful for on colorful paper leaves and placed them on the tree. There were leaves for family, friends, and puppies! On Thanksgiving, they presented the tree to their families. Everyone smiled, expressing their gratitude and happiness together. The Thankful Tree became a new village tradition!
