

# HOLIDAY BAKING

## Mad Fibs

It was time to bake for Christmas, so I grabbed my \_\_\_\_\_  
(Kitchen item)

and started mixing my favorite holiday \_\_\_\_\_ recipe.  
(Sweet Treat)

I added a pinch of \_\_\_\_\_ and a cup of \_\_\_\_\_ to the bowl.  
(Spice) (Liquid)

As the dough was ready, I rolled it out and used my \_\_\_\_\_ cookie  
(Shape)

cutter to make \_\_\_\_\_ perfect cookies. I then placed them on  
(Number) the baking sheet, sprinkled them with \_\_\_\_\_, and popped them  
(Topping)

into the oven at \_\_\_\_\_ degrees.  
(Temperature)

While the cookies baked, I enjoyed a \_\_\_\_\_ and hummed  
(Beverage)

Christmas carols. Soon, the house smelled like \_\_\_\_\_ and the cookies  
(Scent)

were ready! I couldn't wait to share them with \_\_\_\_\_ and \_\_\_\_\_.
