

The Easter Bunny

Dear.....

Guess what? I just hopped over to share some egg-citing news with you! Easter isn't just about finding eggs and enjoying candy (though that's fun too!). It's about the most amazing story ever told—the story of Jesus and His love for YOU!

A long time ago, Jesus made the biggest sacrifice so we could always be close to Him. But here's the best part—on the third day, He rose again! That means He is alive, and His love never ends!

Now, I have a little Easter challenge for you:

Say "Thank You, Jesus" for His love
Share a big smile with someone today
Spread kindness like Easter joy!

You are so special and loved—never forget that! Hoppy Easter, my friend!

With big bunny hugs,
The Easter Bunny
