

I keep food  
nice and cold,  
and inside me  
are snacks  
you'll hold!

I have four  
legs but do not  
run, at  
mealtimes, I  
hold your bun!

I'm full of  
bubbles and  
rubber ducks,  
turn the tap,  
and watch me  
fill up!

Turn me on  
and water will  
spray, I keep  
the grass  
green all day!

Hop on, push  
off, and enjoy  
the ride! But  
hold on tight, I  
swing side to  
side!

With two  
wheels, I take  
you far, I help  
you move  
faster than a  
car!

Press my  
buttons, I glow  
so brightly, I  
help you watch  
shows at night!

I wash and dry,  
I spin around,  
and find your  
clue where  
clothes are  
found!

You wear me  
on your feet,  
laced up tight,  
I help you run  
and feel so  
light!
